To all permitted users of the public rights-of-way:

In support of Portland's Rose Festival which draws visitors from across the state and beyond, Portland's Bureau of Transportation (PBOT) institutes a moratorium on construction use of the public right-of-way, beginning May 31, 2013 and continuing through June 10, 2013.

The moratorium prevents routine closing of parking spaces, sidewalks, travel lanes and streets in the core areas as follows:

- Downtown within the boundary formed by the Willamette River, SW Market Street, SW 13th Avenue and West Burnside Street.
- Portland's Old Town Chinatown Business District and Pearl District within the boundary formed by the Willamette River, NW Pettygrove Street, NW 14th Avenue and West Burnside Street.
- The Lloyd District within the boundary formed by NE 16th Avenue, NE Broadway, NE Martin Luther King Jr. Blvd. and NE Lloyd Blvd.
- The Parade Routes: Starlight Parade (June 1, 8:00 p.m.), Junior Parade (June 5, 11:00 a.m.); Grand Floral Parade (June 8, 10:00 a.m.)

The moratorium also prevents the closing of travel lanes and streets city-wide per the following:

- Major streets throughout the City as shown on the Moratorium Map available on-line at: <http://www.portlandonline.com/transportation>, once here, find the search box in the upper right hand corner and type in "moratorium" and pick the top result; it will take you to the information page where you will find a link to the map. Maps may also be obtained at 1900 SW 4th Avenue, first floor permit center.

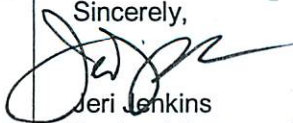

Exemptions:

Portland's Bureau of Transportation and the Rose Festival Moratorium Committee consider requests for exemptions to the moratorium based on verifiable need for work in the public right-of-way. An exemption form is available on-line following the instructions above for major streets covered by the Moratorium. The completed form shall be submitted in writing to the address below.
